Dear Dr. Enache:

Per a request by Aarti Reddy of your office, we have amended the Federal Fiscal Year (FFY) 2012 work plan for the Pesticide Enforcement Cooperative Agreement. A copy of the amended work plan, dated April 18, 2012, is enclosed.

The actual amendment was a minor revision to language on page eight of the work plan that pertained to a WPS Initiative. Previously, the Finger Lakes Region was referred to as the location of the activity. Revised language now refers simply to New York State, in order to allow flexibility in determining the final location(s) of the initiative.

If you have any questions regarding the enclosed document, please contact Anthony Lamanno or John White, of the Pesticide Compliance Section, at 518-402-8727.

Sincerely,

Scott Menrath, P.E.  
Director  
Bureau of Pest Management
